Indianapolis, Aug. 15.—The attendance today at the races of the Driving club was nearly 10,000. It was one of the hottest days ever experienced on that track and the time made was regarded as fast under the circumstances.

Ananias won the 2:45 pace for 3-year-olds and in the second heat the flag was taken down to allow him to go a fast mile. The colt made the mile in 2:13 1/2, which ranks second for the year to Sulphide's performance at Buffalo.

The 2:09 pace was the feature of the day. Fidel was attacked by the entire field but won over all. In the last two heats Coastman drove the favorite down to 2:04 1/2.

Baron Dillon had trouble in winning the 2:16 trot although he was outdriven on the stretch in the second heat by Roxane. He lowered his record in the third to 2:12 1/2 and made the same mark in the fourth. In the third heat C. C. Fuller ran into Graves and overturned him, breaking his sulky. Ben Wallace was allowed to start in the fourth heat. The three events for tomorrow are declared off and the races closed.

Buffalo Races. Aug. 15.—Even the special attraction of Champion James J. Corbett in a four-round sparring exhibition with Jim McVey of Philadelphia failed to attract a large crowd at the Grand Circuit races today. Secretary Hawley stated that with the close of yesterday's races the association was more than \$10,000 in the red. Apart from the sidewalk element today's card was tame. Results:

Breaks a Track Record. Springfield, Ohio, Aug. 16.—At the last day of the Springfield Driving club meet Fannie Eddy broke the yearling half-mile circular track record making the distance in 1:30. The former record was 1:32.

Saratoga Races. Aug. 16.—An attractive card and an attractive weather drew a large crowd of spectators to the track today.

The star event on the program was the Merchants' stakes, one mile and a furlong, which was narrowed down by scratches until there remained only two starters, Rose's Clifford, the favorite, and Key El Santa Anita, the favorite, with Perkins up, was quick to get into motion but at the first furlong in front of the grand stand, Griffin brought Clifford up in front and under a pull had a light advantage at the quarter when Key El Santa Anita increased his speed and headed the big son of Bramble on the back stretch. Together the ran down into the lower turn, seemingly one horse. In the home stretch Clifford drew away slightly but was again headed by Key El Santa Anita. Then began a sprint which caused the enthusiasm of the grand stand to mount to the highest pitch. As they neared the judges' stand Perkins did some splendid riding. Key El Santa Anita won by a length.

In the first race Lady Diamond, the favorite, won by a neck from Manchester with Runaway a length behind. The other finishes were tame except a hard brush between Lake Shore, St. Harlo and Brandywine in the last race. Summaries:

First race—Six furlongs: Lady Diamond, 4 to 5, won; Manchester, 7 to 1, second; Runaway, 8 to 1, third. Time 1:15.

Fifth—Mile: Lake Shore, 3 to 1, won; St. Harlo, 7 to 2, second; Brandywine, 1 to 2, third. Time 1:42 1/2.

Aqueduct Races. New York, Aug. 16.—In the first race at Aqueduct today about half of the field broke away. The flag was not dropped, but Imperial, the favorite, Mary Nance, Venetta, Miss Lynah, Gloria and Irvana went right on and finished, Imperial crossing the line first by a neck in front of Irvana. They had to go back, however. There was a rush for the betting ring. The odds on those who did not run were cut to pieces while the former favorites became outsiders. Black Bonnet being at 2 to 1 at the close of the second start instead of 20 to 1 as in the first. Millie led to the last quarter when Laris finally won handily. Foundling ran a surprisingly good race. Summaries:

First race—Half mile, selling: Laris, 8 to 1, won; Millie L., 12 to 1, second; Imperial, 15 to 2, third. Time 1:04 1/2.

Fourth—Six furlongs, selling: Sun Up, even, won; Beldomino, 4 to 5, second; Drum Major, 1 to 5, third. Time 1:01 1/2.

THEY'VE NO SPUNK

NITHER CUBANS NOR TIPOOS SPOILING TO FIGHT.

Spanish Troops Wander About in a Listless Sort of Way and Have Not Enough Patriotism to Hurt Them—Five Dollars Estimated as a Fair Price for all the Principles They Possess, Taking Them by Half Dozen Lots—Vagueness of News from the Cuban Headquarters in New York—Bulgarians and Turks.

Baltimore, Md., Aug. 15.—Charles A. Winkler, boatswain of the S. S. Culmore, fruit laden from Cuba, has returned here and tells of the half-starved and ill-clad appearance of the Spanish soldiers in Cuba. "There was plenty of firing around Baracoa when we were there, two weeks ago," said he, "but it was a wild disorderly sort of fusillade such as gave the impression that neither the Spanish soldiers nor the rebels desired to do much fighting. We could plainly see the soldiers, and they were a ragged, half-starved lot. They seemed utterly lacking of all patriotism and \$5 would have bribed a dozen of them. They wore blue jeans and white duck uniforms and were often seen in their bare feet."

New York, Aug. 16.—President Palma of the Cuban revolution has received word today that a distinguished Cuban now in this city on a secret mission had received a letter dated Aug. 4, from his brother-in-law, the Cuban artist in Cuba, declaring an engagement that had taken place on that day. The letter in part says:

"General Gomez, with 800 Cubans, attacked a convoy of Spanish troops going from Guantamora to Port Au Prince on Aug. 4. The Spaniards under Isidoro Gomez, 100 and were well equipped. The fighting was hot and heavy and at one time the patriots almost succeeded in capturing the convoy. A Spanish major and a captain were killed, also seventy soldiers. The Cuban loss was trifling."

The letter, like advice received from Cuba, is very indefinite as to details. It is reiterated that the lack of details of the news is owing to the strict censorship exercised by the Spanish authorities over the Cuban press.

President Palma and his colleagues profess to believe, however, that the engagements that have so far taken place have been mostly in favor of their side.

They point to the fact that General Campos in asking for more troops practically endorses their belief.

TURKEY SIGNS ANOTHER NOTE. Bulgarians Get Over the Border and Give Them Their Own Medicine.

London, Aug. 16.—The Times prints a dispatch from Sofia, Bulgaria, the report of the attack by 500 Bulgarians on the Mohammedan village of Dospal, across the Turkish frontier before dawn on Saturday, as was noted in the Associated Press on Thursday. The report received shows 300 houses were burned and 100 people killed. A dynamite bomb was thrown from a mosque into a crowd of refugees.

The Times says that the village lies in the wildest recesses of the Rhodope mountains south of Balka. It is inhabited by Mohammedan Bulgarians, brave and warlike fanatics who hate the Christian Bulgarians more than the Turks and therefore likely to take a terrible revenge. It is believed that a track was arranged by the Macedonian committee in order to provoke fresh atrocities, thus incense Europe against Turkey.

The Bulgarian government has explained to the Porte in reply to the protest of the government of Bulgaria, of watching the frontier because of concentration of troops would be regarded with suspicion by Turkey.

Topoka, Kan., Aug. 16.—The fifth annual meet of the Kansas division, L. A. W., which began yesterday, attracted many speedy cyclists from all parts of the state, and from Denver, Omaha, St. Joseph, Kansas City, Topeka, etc.

The entries for today's event were so numerous as to be troublesome, and there were many accidents. The feature was the breaking of the state record in the state championship race for a mile, won by Bert Salina, of Topeka, whose time was 2:15 1/2. The record had been held by H. Burt, of Topeka, 2:16 1/2.
